The base ball meeting was well attended last Wednesday night. An organization was effected with George Nye as Captain and no time was lost getting in to the game. The boys are playing real base ball now and were out for a big game Tuesday. They went to Fielding and came back victorious, but in a return game Saturday on our home grounds they went down to defeat. The last of a series of three games will be played in Fielding next Saturday. Both games have been close even contests and we await the outcome with anxiety.

It takes money to buy a good base ball outfit and that's what the boys are after. Two enthusiastic members of the club as a duly authorized committee have been holding up the citizens of town for subscriptions. That's one way of getting the cash and the old time honored custom of giving a dance is another, so Friday evening, May 11th, there was a grand ball given under the auspices of the base ball team.

Bp. M. J. Richards, L. J. Kennard Jr. and others including officers of the Relief Society, Young Ladies Mutual Improvement Association and Primary went to Portage Saturday to attend Priesthood meeting and officers meetings of the various organizations.

Not if as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by Riter Bros Drug Store.

Jessie Grover, Mrs. A. N. Grover of Fielding and Mrs. Amelia Grover of Logan spent Monday in this city. Mrs. Amelia Grover has been visiting with Mr. and Mrs. A. N. Grover at Fielding and returned Tuesday to her home in Logan.

It is dangerous to Neglect a Cold.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by Riter Bros Drug Store.
